**REQUEST FOR RECONSIDERATION OF DECISION
AND STATEMENT PURSUANT TO MPEP §1893.01(e)**

MS PCT
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In response to the Decision dated September 23, 2008, Applicants respectfully request that the above-identified patent application be reconsidered in view of the remarks which follow and that Yuan Chen be removed as an inventor and Yuan Lu be added as an inventor.

By way of background, shortly after receipt of the Decision, a call was placed by my assistant, Diane Blevins, to Bryan Lin, PCT Legal Examiner of the PCT Legal Office, during which she explained to Mr. Lin that we are unable to provide a statement from Yuan Chen in that no such person exists and that the submission of Yuan Chen's name in the PCT was an error. Mr. Lin referred my assistant to MPEP §1893.01(e) and requested that a statement be provided explaining how the error occurred and that would be sufficient.

Therefore, please be advised, the name, Yuan Chen, was mistakenly included in the inventorship as originally filed and is a typographical error. There is no such inventor involved with the subject application, nor does one exist by that name. This error in inventorship occurred without any deceptive intent.

The name of the true inventor for this application is Yuan Lu. Please update the bibliographic information concerning this application accordingly.

In view of the above, Examiner Lin is respectfully requested to withdraw the outstanding dismissal of the within application and to continue prosecution of this application. If it is determined that a telephone conference would expedite the prosecution of this application, the Examiner is invited to telephone the undersigned at the number given below.

In the event the U.S. Patent and Trademark office determines that an extension and/or other relief is required, applicants petition for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 03-1952 referencing docket no. 514572002800. However, the Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Dated: November 12, 2008

Respectfully submitted,

By /Peng Chen/
